### **SDS (Safety Data Sheet) Statement**

All different sorghum products (such as sorghum grain, cut sorghum grain, sorghum bran, sorghum flour, and popped sorghum) that are produced by Nu Life Market, LLC are considered to be “food”. To the best of our knowledge, these products do not contain any hazardous chemical/material. These products are exempt from the Title 29 CFR 1910.1200 OSHA Hazardous Communications Standards and hence do not require an SDS.

If you have any questions, please do not hesitate to contact us.
