

**Shelf Life, Shipping, & Storage of Organic & Conventional Sunflower Kernel Paste**

**Shelf Life:** 12 months from date of production.

**Shipping and Storage:** Products should be handled so as not to compromise the integrity of the jar or bucket or drum during shipping and storage process. Product should be stored adequately at an ambient temperature in absence of sunlight and oxygen. Refrigerate for maintaining premium freshness. Refrigerate at 40° F ± 3° F. Large temperature changes will compromise product quality.

If you have any questions, please do not hesitate to contact us.
