GMO Free Statement

Nu Life Market LLC is committed to producing products that are not genetically modified or derived from genetically modified organisms. Most of our products are comprised of 100% Sorghum, a crop that has not been genetically modified. For products containing ingredients other than sorghum, we have a strict Supplier Approval Program to ensure only GMO free and BE free products are used.

For more information on the list of foods that have been genetically modified or bioengineered, please visit the USDA's List of Bioengineered Foods.
